10. In the space below, briefly describe your experience, qualifications, special areas of expertise, and any other reasons why you should be selected as a neutral.

I agree with Abraham Lincoln who said "the highest calling of a lawyer is to be a peacemaker." As a mediator, it is my job to use my considerable legal experience to help individuals come together. I am uniquely qualified to be of assistance because I have handled almost as many cases representing Plaintiffs as I have representing Defendants. Although my firm requires me to be billed at an hourly rate which is higher than it is for some mediators, I try to balance this out by charging little, if anything, for preparation time.
