10. In the space below, briefly describe your experience, qualifications, special areas of expertise, and any other reasons why you should be selected as a neutral.

I have developed an expertise in transportation litigation, which often involves the application of federal law.

There are few practitioners in the St. Louis metropolitan area which specialize in this area, and I believe I can fill a void. I also have much experience in negligence matters such as vehicular and premises liability. I am an ardent supporter of ADR and wish to further participate in dispute resolution by becoming a court-approved neutral.
