Item # 10.

I am an Attorney with 27 years experience involving Labor Relations, Civil Rights and Employment disputes. I have resolved literally thousands of grievances, numerous Labor and Civil Rights Charges, and other Employment related matters. I represented Employers in the mediation process with various Government and Administrative Agencies, and private mediators. I am certified as a mediator in the State of Missouri for general civil cases and have had over 60 hours of mediation training. My experience also includes numerous contract negotiations and approximately 100 Arbitration cases as an advocate. I am a member of the Roster of Arbitrators for the Federal Mediation and Conciliation Service.

I believe I am uniquely qualified as a mediator in civil cases because of my law degree, graduate degree in psychology, and many years of experience in alternative dispute resolution procedures.
