10. In the space below, briefly describe your experience, qualifications, special areas of expertise, and any other reasons why you should be selected as a neutral.

I am an AV rated attorney with substantial practical involvement in negotiations. I have negotiated claims on behalf of plaintiffs and defendants. As a partner at Weinhaus, Dobson, Goldberg & Moreland, a firm that has substantial dealings with labor and employment issues, I deal with labor contracts, discrimination claims, severance agreements and general employment disputes.

My trial experience also includes dealing with complex medical malpractice, products liability and personal injury cases. I am very familiar with ADR and utilized these services in the past with great success. Further, I am currently Chairman of the Fee Dispute Committee for BAMSL, and involved with alternative dispute resolution on a regular basis. In my daily practice and involvement with the Bar Association, I established a good working relationship with a significant number of attorneys. My relationship with opposing counsel on cases always has been professional and courteous.

I believe I can bring a very balanced approach to ADR and be successful in using alternative methods for resolution of disputes.

Thank you for your consideration.
