10. In the space below briefly describe your experience, qualifications, special areas of expertise, and any other reasons why you should be selected a neutral.

I have over twenty-one years of legal experience in Illinois and Missouri cases. I have worked in a private law firm litigating and arbitrating cases as well as in-house counsel at a major university. My areas of expertise include commercial disputes, construction cases, employment matters (sexual harassment, disability, termination and discrimination) and all aspects of education law (tenure, student privacy, discipline, procurement, intellectual property and civil rights).

I have participated in numerous mediations as a party representative and have taken appropriate training with several seasoned mediators.

I am devoting 100% of my legal practice to alternative dispute resolution.
